

## Planmeca® Emerald™

### Connect Your Planmeca® Emerald™ to DDL's Workflow

Save time and money when you send scans directly from your Planmeca® Emerald™ digital impression scanner.  
**In addition to all-ceramic restorations, DDL accepts digital impressions for PFM and full-cast restorations.**

- Go to [www.ddxdental.com/login](http://www.ddxdental.com/login), select "Dental Practice", and enter your login information.
- Choose "New Case" and use the form to enter the procedure, shade, patient details, and any additional notes.
- Upload the impression file(s) and submit your case!

If you have any questions, contact DDL at 1.844.463.4837 and ask for digital impression technical support.
